## Editorial

Winter is fading and the driving will start soon. As the year is evolving, we are adding events and changing others. In this issue, you will see information about our first driving event of the year. Allen Sisson has agreed to host a Loafer's Lunch on April 20th ending at a great restaurant in Sherborn MA. See page 6 for details.

Also, note that Greg Lane has moved the Mini-Tour/ LL from May to July; something to do with the blooming lavender flowers!!! Should be a great event, don't miss it. See page 7 for details.

Having our board meeting at Mike Morgans bar in Newton has not been ideal, too noisy. Allen Sisson has searched the area and found a place at NewBridge on the Charles for our informal meetings. NewBridge is not too far from Morgans. Our meetings will start at 6:00pm and go to 7:00pm, then we will drive to a nearby restaurant for dinner and lots of 356 talk. See full details on page 11, and on the website.

The big news is that there will be a 356 Registry, East Coast Holiday in 2018. The location will be in Ocean City NJ, 10 miles south of Atlantic City. Several of our members are involved in helping to organize the event that will include a parade and peoples choice concourse on the Ocean City boardwalk. See page 12 for a few details. Save the Date- October 17- 21, 2018

## UPCOMING EVENTS

### *Thursday April 20th, Allen Sisson Loafer's Lunch*

The first club driving event of the season will be a Loafer's Lunch drive and lunch on Thursday, April 20, 2017 hosted by Allen Sisson. Everyone should meet at Allen Sisson's home at 11 Spruce Way, Medfield, MA. 02052. Phone for Allen is: 617-921-0532 if you get lost. Most of you should be familiar with this meeting place from my annual club BBQ event.

Arrive at 10 AM with departure for the drive at 10:30 AM. We will then drive on back roads of Medfield, Dover, Sherborn, and Millis. The drive will end at about 11:30 AM at the Heritage of Sherborn restaurant located at 33 North Main Street, Sherborn, MA 01770. Lunch will be from about 11:30 AM to 12:30 PM.

If you plan to go let me know by email: [dkwf5700@gmail.com](mailto:dkwf5700@gmail.com) You can let me know you are coming up until the day of the drive. I hope to see several of you there.  
Allen Sisson

### *Saturday, May 13th - ACS Racing Tech Session*

10am - 1pm  
74 Industrial Way, Hanover, MA.

**ACS** Racing has been run by Scott Stevens and Al Spinoza for just over 25 years. They are principally tuners, specializing in carburetion for cars and motorcycles.

In all of the 356 Tech sessions that I have attended over the years, I haven't been to any utilizing a dyno. ACS tunes a car, on their dyno, while using an exhaust gas analyzer. This makes a world of difference in the result versus the usual "tune up" which consists of an oil change, points and plugs and the typical assurance from the shop that "it runs great now". I think that a large number of the 356ne members would find this approach to tuning their cars very interesting and rewarding in terms of performance.

Ron Swenson has agreed to put his 912 on the dyno so that the members can see, on the printed out graph, exactly how different changes in carb adjustment and timing affect the power/torque output of our 4 cylinder motors. A catered sandwich lunch will be provided free by ACS.

I would welcome any questions or comments that you may have. My phone is 781-749-4129. Jim O'Hare

## ***NEW DATE***

### ***July 13th Mini-tour and Loafer's Lunch for Locals (LLL) Southeast Connecticut***

Note date change from 18 May: As it turns out, lavender does not bloom until late June, so we moved the Mini-Tour/LL drive date to July 13th.

Take a trip to Provence without flying to France! Starting at the Griswold Inn in Essex CT., enjoy a spirited drive over some great 356 roads to visit the Lavender Pond Farm. There, we will enjoy a treatise over a bag lunch on the wonders of lavender. Follow that with a short drive to the picturesque Chamard Winery vineyard where we will park our little cars around a pretty pond to admire them while tasting wine and enjoying some light hors d'oeuvres. Close the day or follow the crowd back to the Griswold along some scenic Connecticut Shoreline roads for an "order off the menu" club banquet at The Gris on Thursday evening at 6:00pm. TYP356ne members only for this Mini-tour/LL! No exceptions.

Check out the following websites:

<https://www.lavenderpondfarm.com/>, <https://chamard.com/>, <http://griswoldinn.com/>

Overnight accommodations at the Griswold Inn in Essex are recommended for those driving from afar, see hotel info below. Like the Essex Mini-tour of two years ago, we will hold some rooms available the nights before and after the tour at the Griswold Inn in Essex, the start point of the drive. An optional banquet is planned at The Gris after the tour, at 6pm, that is open to all.

Local TYP356ne members are welcome to join just for the Thursday drive, a-la Loafer's Lunch, but are required to commit in advance to cover the cost of the bag lunch, wine tasting and hors d'oeuvres, see details below.

#### **Hotel information: Griswold Inn, Essex, CT:**

- 6-10 rooms will be held for club members the nights of July 12th and 13th.
- Room rates are \$150 per night, plus taxes. This is an off-season rate that will be held until July 1. Rate includes a continental breakfast. Most rooms will have a view of the 356-reserved parking area. Book rooms on your own at: 860-767-1776. Request the TYP356ne Porsche Club event rate.

#### **Drive Day Schedule, July 13th:**

- 10:30am: Driver's meeting at the Griswold Inn, 36 Main Street, Essex CT 06426.
- 11:00am: Depart from the Griswold Inn.
- Noon: Arrive at the Lavender Pond Farm. Enjoy our bag lunch and 40-minute tour.
- 1:15pm or so: Depart Lavender Pond Farm.
- 1:45pm or so: Arrive Chamard Winery in Clinton, CT. Park around a scenic pond.

Venue: Open barn facing pond. Wine tasting with simple hors d'oeuvres. Stay approximately 2 hours.

- 3:45pm: Break up or for those returning to Griswold, a short, scenic drive along the Connecticut Shoreline in Westbrook and Old Saybrook.
- 6:00pm: Optional banquet at Griswold. Order off menu.

#### **Event Day Cost:**

The cost for the bag lunch at Lavender Pond Farm and wine tasting/hors d'oeuvres at Chamard Winery is \$40.50 per person. Required for all tour participants. Make check payable to Greg Lane and advise lunch preference: Turkey, Roast Beef or Vegetarian sandwich. Send check to Greg Lane, 13 Bradley Road, Madison, CT 06443. The TYP356ne club will fund the Lavender farm tour and the barn facility at Chamard Winery. Thank you to the board.

Participant registration cut-off date: July 1<sup>st</sup>, so lunches and facilities can be pre-ordered.

PLEASE ADVISE Greg Lane if ATTENDING BANQUETTE.

Questions? Contact Greg Lane at 203-24-0240 or [GKAMLane@comcast.net](mailto:GKAMLane@comcast.net)

Hope to see you there! Greg and Anna Marie Lane/Craig and Amy Bush

## ***PAST EVENT***

### ***Accurate Automotive Services Tech Session***

The Tech session at Accurate Automotive in Woburn on March 25 brought a lively crowd of 20 out on an otherwise dreary day. We watched the proprietor Tony Medina perform assorted magic tricks to restore the tired-looking paint on a black Roadster.

Tony has a strong background in the detailing world, and is the go-to guy for the local Porsche, Land Rover, and Jaguar dealers when they need a refresh on their cars. He utilizes a combination of skills that include basic detailing, compounding, paint correction, and ceramic coating. It requires a thorough understanding of the quality of the existing paint so that the right amount of pressure, rpm speed, and time on a dual-action orbital machine can bring the desired results.

We quickly realized that much of this work is not something that most of us would attempt to do in our own garages. (As Tony suggested, if you leave the wheel on too long you will wind up with the DeLorean effect.) Tony did

give us some good tips for basic washing and waxing to keep swirl marks and scratches to a minimum so we can delay our trips to the detailer.

We were simultaneously treated to excellent side-show as we watched Lou, from Boston Paint Protection, one of Tony's associates, apply a clear-film bra to a Mini Cooper while he explained the latest technologies in the industry. For many, this application makes perfect sense.

Another sub, who Tony also utilizes, is an outstanding painless dent removal contractor. Often, the removal of minor dents is mandatory before proceeding with the detailing.

So what happened to the Roadster? The results were dramatic. Tony removed 18 years' worth of swirl marks, scratches, and blemishes. Every one. The paint now has a better-than-new appearance. If anyone is considering having their car repainted, they should first consider this option. It can be a huge time and money saving alternative to a full repaint. The prices vary depending on color and condition of the car, but a 356 can be completely refreshed with the ceramic coating for about \$1200; a basic detailing job will run around \$400. The processes also include detailing the total interior, engine bay, and wheels. During the process, some chrome and lights will be either covered or removed for best results. He will also perform the convenience of minor repairs, oil changes, and other services.

In short, the work done at Accurate Automotive is extraordinary, and we can add this resource to our growing list of vendors we can trust.

# AMELIA ISLAND 2017 CONCOEURS D'ELEGANCE

March 9-11 2017

**F**or Porsche fans there were more events at Amelia Island this March than ever. PCA organized Werks Reunion, a mammoth event on the golf course at the Omni. I'm guessing that there were about 8 acres of Porsches.... maybe 3 fairways worth.... and perhaps a thousand cars. Some interesting outlaws, rare 4-cams and other fun sights dotted the landscape. Vendor tents lined the edges of the field.

Five auction companies offered, and mostly sold, Porsches of all ages. Notable to 356 fans was the Hollywood Wheels Porsche-only sale at the Omni on Friday.

On Thursday, citing an ominous rain storm, organizer, Bill Warner changed the Amelia Island Concoeurs... his 22nd... from Sunday to Saturday. This caused the popular Cars & Coffee to move to a different locale. Not everyone (including me) got to see the Porsche part of this traditional show.

The concours itself didn't disappoint. Clustered near the Porsche of America hospitality pavilion were early and late racing cars tracing Porsche competition history from 90 hp to over 1,000.

# Board Meeting Location Change

The meeting location for all TYP356ne board meetings will change as of the April 3, 2017 meeting. The board meeting will be held at 6 PM at the following location:

NewBridge on the Charles  
Hebrew Senior Life  
2<sup>nd</sup> Floor Activity Room  
Gloria Adelson Field Health Center  
7000 Great Meadow Road  
Dedham, MA 02026

At 7 PM after the meeting the board members will drive about 2 miles to a restaurant for dinner. The dinner will be at the following location:

Brick House Café  
107 Bridge Street  
Dedham, MA 02026

Members are welcome to come to the board meeting. Let Allen Sisson know at [dkwf5700@gamil.com](mailto:dkwf5700@gamil.com) if you are a club member coming to the board meeting that also wants to go to dinner afterwards so that a large enough table is reserved.

The directions to get to NewBridge on the Charles are as follows:

On Interstate 95 (I95) from the north or south get off at exit #17 marked Needham/Natick. If you are coming from the south, turn left off the exit toward Dedham. If you are coming from the North turn right off of the exit. You will drive a very short distance either way. Almost no distance from the south and about 1/8<sup>th</sup> of a mile from the north. Either from the north or south, you turn left at the first traffic light located at the main entrance. The main entrance is marked: Newbridge on the Charles, Hebrew Senior Life. Newbridge is on a very large campus. It is a very large senior living community. It is the size of a large college campus.

Once you turn left follow a long winding road over two speed bumps for about 1/8<sup>th</sup> of a mile. Do not turn off the main road until you come to a stop sign at a T intersection. Turn right at this stop sign. Once you turn right, you will go about another 1/8<sup>th</sup> of a mile. You will go past 6 total parking lot type entrances on your way; some are just feet apart. At the seventh parking entrance (which is P5) the parking lot sign is labeled: Hebrew Rehabilitation Center/ Gloria Adelson Field Heath Center/7000 Great Meadow Road/Visitor Entrance/Human Resources/ Security. Turn left into this parking lot which has two entrances the 1<sup>st</sup> with the P5 label and the second has the sign I listed in the line above. You are supposed to enter the second entrance and exit the first one as it is one way traffic in the parking lot.

Once you enter the parking lot, park in any open space. It is a large lot. Once you park, go into the large entrance at the end of the parking lot labeled: Gloria Adelson Field Health Center. Once you enter that large entrance vestibule, there are more automatic doors to the right. Go through those doors on the right. The front desk, which will be empty, is right ahead of you. Go to that desk and turn left. Go down to the end of that hallway. There is a bank of elevators at the end of the hallway. You are on floor 0. Take the elevator to floor 2. When you exit the elevator walk straight ahead to the first room on the right which is labeled Activity Room. The meeting will be in this large room.

I will be at the main entrance in the vestibule at 5:45 PM to show everyone where this activity room is once everyone arrives.

After the meeting everyone going to dinner can follow me in their cars to the Brick House Café. If there are any questions call Allen Sisson at 617-921-0532 or email: [dkwf5700@gmail.com](mailto:dkwf5700@gmail.com)
